

Talent Acquisition Conference-2019

Attract

Assess

Acquire

May 30th, 2019 – FICCI, New Delhi

Talent Acquisition as a function has come a long way. The transformation had been incredible. As a function, new technologies to hire candidates have been introduced, there are newer strategies to source candidates, and there is an increasing focus on the candidate experience and employer branding like never before. In a nutshell, Talent Acquisition (TA) is the key to gaining a competitive edge in the market. This conference will focus on exploring technologies and strategies in the year 2019 to make the employers stay ahead of their competitors in hiring THE best and upgrade them to take on the VUCA world.

The TA Conference - 2019 will be an endeavour to equip and upgrade leaders engaged in Talent Acquisition with proven strategic approaches coupled with actionable insights which could be taken back and implemented as soon as they reach back their workplace.
